

4th Grade Daily Challenge

We created this optional calendar so that the students could connect with each other! We understand that many of our students are missing their social time with their friends. We hope to stay connected through activities and pictures! After you complete an activity, please take a photo and send it to Mrs. Heisler's email. She will upload our pictures to our 4th grade website each evening! Send your pictures to cheisler@xavier.pvt.k12.ia.us
